## SVGM GOVERNMENT DEGREE COLLEGE : KAYANDURG

### Field Trip Report

The Places of visit are

1. RDT Professional School, Ananthapuramu
2. Inclusive Education High School, RDT, Ananthapuramu

**Objective:** An exposure of Foreign Languages School (Spanish, French and German languages, internet usage, Soft Skills and Communication Skills.

#### Introduction:

The SVGGM Govt. Degree College, Kalyandurg students are mostly from the remote area of Kalyandurg, Kambadur, Settur, Kundurpi and surrounded mandals and belong to very poor communities. It is a nice gesture of the Higher Education Dept and the college management to introduce a "Certificate Course in Communication Skills and Soft Skills" in this college. As part of this course Dr..N.B.Shama Bharathi Lecturer in English felt that it is important that these students get an exposure to RDT foreign languages schools and Inclusive education High School at Ananthapuramu. Dr. N.B. Shama Baharathi Lecturer in English approached the Principal who kindly accepted the proposal and extended his cooperation.

As the second step Dr.N.B.Shama Bharathi prepared a request letter to Mr. Moncho Ferrer, Program Director, RDT about her objective, he readily accepted and directed that letter to Mr. Chandra Sekhar Naidu, Director, Education Dept. in RDT. He felt very happy about this initiative and agreed for the visit on 21.12.2019

The students got into the vehicles arranged for this Field Trip from SVGGM Govt. Degree College, Kalyandurg around 8:30 am and reached the RDT professional School at 10:00 am. The plan was to spend the half day at RDT professional School and visit RDT High School for Inclusive Education till 4:00 pm. The lunch was arranged at RDT canteen for the team at High School for Inclusive Education.

The team lead by Dr. N.B.Shama Bharathi, Mr. D. Raju and the students were warmly welcomed by Ms. Geethanjali, Principal of the Professional School.

#### OBSERVATIONS:

- Spanish, French and German languages are taught
- Communication Skills and Soft Skills
- Language specialists are from Spain and other countries
- A very good infrastructure exist in the campus
- Residential Course for the Boys selected from the rural areas
- 

#### Infrastructure at PROFESSIONAL SCHOOL

- a. It is residential campus located on the outskirts of Anantapur in the serene atmosphere.
- b. It consists of many classrooms with furniture, library, laboratory, dining hall, staff quarters with all the facilities and there is a big garden in the centre with full of greenery

3. First we interacted with Mr. Carlos, a Spanish teacher from Spain. The students introduced each other and the students of Professional school explained the importance of foreign languages in the present scenario. They also explained the previous batch students achievements in getting jobs in various companies like accenture, wipro, etc., they also explained to the group to which extent the course is helpful.

4. Next we interacted with Mr. Hans, French teacher, who

5. We went to English class where we were introduced to Patrishia , an English teacher from Spain. We had a long interaction with her all our students. She showed us the materials used to teach and various methods used in her teaching were explained to the students.

6. In the closing of our visit, we gathered in seminar hall where the Principal, teachers of Professional school and SVGK GDC Kalyanadurg alongwith all the students of both institutions. Once again the importance of learning foreign languages was discussed in detail.

The Professional School students displayed their skills of power point presentations and documentary films prepared by them and also expressed their opinion and happiness in getting admission into this prestigious school.

**The students of professional school expressed that**

**It's a great opportunity to improve communication and soft skills  
Familiarize and to get knowledge about the job scenario  
To gain courage to face the interviews in MNCs  
Learn French, Spanish and German  
Find employment opportunities  
Sharpen the inherent capability to excel in life  
Be confident to attend the interview and exhibit skills.  
Overcome fear and inferiority  
Develop a new way of thinking to beyond horizons  
Write CV and brief write up about their skills  
Communicate and speak in public without hesitation  
Improve verbal and non verbal communication skills\  
Improve leadership qualities  
Use computer and give power point presentations  
Expose ourselves to new languages, culture and way of life  
Be friendly with environment and improve social skills  
Maintaining a good relationship with all /**

**The Students of SVGM GDC Kalyandurg expressed that**

- 7. The Students of SVGM GDC Kalyandurg expressed their opinion in joining into the UGC Certificate Course on Communication Skills at College, Which is very useful for them to get an exposure towards the**

- 8. At last Principal, Gitanjali explained the mode of getting admission into the professional school through entrance exam and other criterions.**
- 9. we had great time with all the people/**

Students have learnt using social network sites like Facebook, twitter, blogs: LinkedIn and uploading their videos in You tube etc. All these were part of class room activities and take up project works by using power point presentation. They have learnt how to apply in the job portals, so that they receive call letters directly

Later we visited to the inclusive school , where the school is particularly for blind , deaf and dumb children. The school is from V standard to X standard. We had lunch in this school. Later we interacted class X students . The principal of inclusive school

The inclusive school is situated in the midst of huge ground.  
The very entrance of the school itself made us to feel at
