

Microsoft Up Skilling Programme

HIGHER EDUCATION DEPARTMENT, GOVT OF ANDHRA PRADESH has floated a tender for Microsoft Certification & Learning for Upskilling Students in Emerging Technologies from Microsoft License Service Provider. The project location is Guntur, Andhra Pradesh, India. Microsoft Up Skilling Programme (Upskill with free learning resources) with ANDHRA PRADESH STATE COUNCIL OF HIGHER EDUCATION (APSCHE) together brought a new source to learn / up skill the subject or knowledge in interested areas (Computer Subjects / courses).

Microsoft Certification & Learning for Upskilling Students in Emerging Technologies. Digital transformation is now redefining the way we approach work, as well as reshaping our learning culture. By constantly studying, adapting and innovating, we can better equip ourselves for the age of digital revolution and ultimately drive change to the society.

Through this Programme our Students are certified with meritorious grades. Exam conducted at Srikrishnadevaraya University campus and certified by Microsoft.

14 students are registered the program 12 students are qualified the exam and got certificates from Microsoft (we proudly say Signed by Satya Nadella Garu, CEO, Microsoft Inc.,). We worked very hardly for this certification. We followed prescribed curriculum and provided additional inputs and practical sessions also.

Even we conducted classes on Sundays and other holidays also.

We thank all the dignitaries who involved from

Honorable Chairmen Sir, APSCHE, Andhra Pradesh

Honorable Commissioner Sir, Commissioner of Collegiate Education Andhra Pradesh and

Honorable Vice Chancellor Sir, Sri Krishnadevaraya University, Anantapur

Respected Principal, Govt. Degree College, Kalyandurg and other dignitaries who involved in the Programme.

Regards

M.SUDHAKAR
